

Shit's Getting Weird — A Prep List for the Unexpected

Whether it's the global chaos, digital threats, or just life throwing curveballs, it's clear we could all use a little preparation for the unknown. The world is unpredictable, and it's better to be ready than caught off guard. It's time to take control of what you can and get yourself prepped for whatever comes next. Buckle up, because, honestly, shit's getting weird.
